

Résumé Creation for Eagle Scouts

Michael Buras

National Eagle Scout Association Vice President of Training

Artificial Intelligence (AI)

- Write your own résumé
- AI often produces excessive and unfocused language
- Only **you** can convey your experiences and strengths
- Only use AI to refine or edit
- Your résumé should be in your own voice

Scouting Skills

- Leadership
- Discipline
- Commitment
- Perseverance
- Goal-oriented determination
- Own your accomplishments

The poster is titled "Eagle Scout Service Project" and features the Boy Scouts of America logo. It lists guidelines for such projects, including that they must provide planning and leadership opportunities, benefit religious institutions, schools, or communities, and not be commercial, routine labor, or fundraisers. It also states that only one Eagle candidate can receive credit for the same project and that projects must be performed for the Boy Scouts of America, its councils, districts, units, or properties. The poster includes a silhouette of a camp scene at the bottom and the motto "Prepared For Life" on the right.

 **Eagle Scout Service Project**

- **Guidelines**
 - Present opportunity for planning, development, and leadership
 - Projects must
 - benefit a religious institution, school, or community
 - Projects must not be
 - of a commercial nature or for a business
 - only routine labor
 - only a fundraiser
 - joint projects – only one Eagle candidate can receive credit for the same project
 - performed for the Boy Scouts of America, councils, districts, units, or its properties

What Employers Want

- Volunteer activities
- Internships
- Service experiences

Accomplishments and Experiences

- Use concise bullet points to highlight
- Make the employer want to know more
- Avoid using I or me
- Use concrete and specific wording
- Choose either chronological or functional structure
- Use a single font (no smaller than 10-point)
- One-page résumé
- No photograph

Personal Contact Information

- Include complete address, phone number, email address and your LinkedIn profile
- Voice message should be clear, precise and professional
- Email address should be professional
- If you provide a hyperlink to your LinkedIn profile, make sure your profile is updated
- If you earned the Eagle Scout rank and are a NESAs member, there are LinkedIn badges you can earn

When Your Résumé Is Complete

- Use AI or Copilot to beef up your résumé
- Use AI to review job postings
- Research the company before any interviews
- Remember to update your résumé yearly

Networking

- IEEE
- Campus student groups
- Online platforms
- Council NESA committee

Interviewing Tips

- Learn about the job
- Be on time! It's always better to be early than late
- Be prepared to demonstrate your skills and accomplishments
- Prep for a virtual interview: test background, noise and technology
- Provide relevant, recent examples of situations when responding
- Be prepared with questions for the interviewer
- Practice. Practice. Practice!

Module 1: Turning Eagle Scout Experience into Career Success

How to identify and translate Scouting experiences into professional competencies and communicate them effectively to employers, colleges, and scholarship committees.
