NESAs scholarships recognize and reward the outstanding achievements of Eagle Scouts. With a legacy of fostering leadership and service, we believe in nurturing the potential within our fellow Eagle Scouts.

Whether you're pursuing a college degree or vocational training, applying for a NESAs scholarship could be your opportunity to join the ranks of generations of Eagle Scouts who have been selected to receive financial support for their educational aspirations.

NESAs scholarships aim to ease some of the financial burden of education and provide a platform for you to amplify your impact on the world. It's not just about what you can achieve; it's about the positive change you can bring to your community and beyond.

Wings of Opportunity

At NESA, we understand the financial commitments that come with pursuing higher education. That's why we offer scholarships to help ease the financial burden and support our esteemed members in their educational journey.

Who can apply?

The opportunity to apply for NESA scholarships is available exclusively to members of the National Eagle Scout Association. It's easy to become a member. Simply visit <https://nesa.org/take-action/join-us> today!

When am I eligible?

NESA members are eligible to apply for scholarships from their senior year of high school through their junior year in an undergraduate program—or until they reach the halfway point of their associate degree or skilled trade program.

Enrollment requirements

Must be presently enrolled in or accepted to an accredited educational institution as a full-time student (12+ credit hours), in pursuit of an academic degree (including associate degrees) or participating in a skilled trade program.

Additional Awards

Each recipient is eligible to be awarded a NESA scholarship only once during their academic pursuits. Once an individual has been granted a NESA scholarship, they are not eligible for additional awards from NESA during subsequent academic terms or years.

Did you know the average NESA scholarship is around \$10,000? That's the equivalent of nearly 770 hours that you can invest in achieving your dreams instead of juggling a part-time job.*

Since 1984, more than 3,300 NESA members have been awarded scholarships.

Since 1984, over \$12.5 million in scholarships have been awarded to NESA members.

About National Eagle Scout Association Scholarship Funds

Scholarships are granted to Eagle Scouts who have demonstrated active engagement in school, Scouting activities, and community service, while showcasing their understanding of the principles of service to the community, service to Scouting, and their own character. Additionally, they should articulate what sets their financial need apart from others.

Awards can be for one to four years and values range from \$3,500 to \$48,000. These scholarships are funded by the following endowments:

- Lawrence S. and Mabel Cooke
- National Eagle Scout Association
- Hansen and Mary Hall
- Lester S. McElwain
- Robert and Rebecca Palmer

"The best thing that can happen is it can change your life," John Andrew Segebarth, Lawrence S. and Mabel Cooke scholarship recipient 2023

"This scholarship enables me to serve on staff at my council summer camp instead of getting a higher-paying job to fund my education. It allows me to give back to the Scouts around me at the very first camp I ever attended and have returned to every summer," Lois Alvar, Lawrence S. and Mabel Cooke scholarship recipient 2023

"This scholarship eases the financial burden for me and my family. It opens doors for Eagle Scouts like me to develop in college and become good citizens of the world," Jacob Yepez, Lester S. McElwain Eagle scholarship recipient 2023
